Experience

Microsoft Student Ambassadors Workshop Series

2021

Attended a series of workshops conducted by Microsoft Learn Student Ambassadors focused on software development, cloud computing, and emerging technologies. Gained foundational insights into developer tools, coding best practices, and career paths in tech.

COSMA Inter School Computer Symposium

2023 and 2024

Represented school in back-to-back annual computer science events featuring coding challenges, technical quizzes, and logic-based problem solving. Gained exposure to collaborative problem-solving and improved understanding of core programming concepts. Strengthened early interest in software development through consistent participation and peer interaction.

Education

St. Mary's Academy / Higher Secondary Certificate (ISC)

April 2013 - March 2025, Meerut, Uttar Pradesh, India

Scored 98% in the ISC 2025 examinations and secured 2nd rank at the district level. Core subjects included Computer Science, Mathematics, and Physics.

Awards

Best All-Rounder Award (2025) for consistent excellence across academics, leadership, and extracurricular activities at St. Mary's Academy
